## CREDIT APPRAISAL MEMORANDUM

*(Prepared in alignment with RBI/NHB Credit Appraisal Guidelines)*

Prepared for:

**Bhaskar Solutions Private Limited**

|                                |                                         |
|--------------------------------|-----------------------------------------|
| <b>Loan Amount Requested</b>   | <b>2.50 Cr</b>                          |
| <b>Date Generated</b>          | 14 June 2026, 16:46 UTC                 |
| <b>Document Classification</b> | <b>STRICTLY CONFIDENTIAL</b>            |
| <b>Prepared By</b>             | Trinetra Agentic Credit Intelligence OS |

This document is auto-generated by 14 AI Agents and is intended solely for authorized credit officers.

### 1. Executive Summary

#### 1.1 Credit Overview

---

Bhaskar Solutions Private Limited has demonstrated a satisfactory financial health with a low risk score of 0.1, falling under the 'LOW' risk band. The risk decision is 'APPROVE', and we recommend proceeding with the loan application. The company's debt service coverage ratio and interest coverage ratio are 2.7547 and 3.4523, respectively, indicating a comfortable position to meet its debt obligations.

---

#### 1.2 Business Overview

---

Bhaskar Solutions Private Limited operates in the Construction Infrastructure industry, with an unknown market position due to limited data availability. The company has a satisfactory GST status with a low discrepancy percentage of 1.69. The industry is subject to various challenges, including regulatory changes and market fluctuations.

---

| Key Strengths                                                                                                                                                                                                                                     | Key Concerns                                                                                                                                                                                                                                       |
